Verified to Fly

Arrive at the airport with confidence knowing that you've met all essential COVID-19 requirements before your flight.

1 Visit etihad.com/manage

- Visit etihad.com/manage to get started
- Update your contact details

2 Submit your documents

- We'll send you an email with the COVID-19 travel requirements for your destination
- Reply to that email with the relevant documents

3 Check in online

- When you're Verified to Fly, check in online and download your boarding pass
- You can check your Verified to Fly status at any time at Manage my booking

4 Fast track at the airport

- At the airport, fast track to our Verified to Fly desks
- If you're travelling without checked baggage, you can head straight to the gate
